# Welcome

*Chrissie Mans*

CEO, Fremantle Chamber of Commerce (MC this evening)

I'm honoured to welcome you to the Fremantle night of nights.

Renowned as one of Australia's top destinations for shopping, bars, clubs, accommodation and restaurants, tonight, our iconic Fremantle metropolis commemorates our region's status by celebrating the re-imagined Fremantle Chamber of Commerce Business Awards 2023.

Tonight is about kicking up your heels and celebrating the best of our world-class business community. Most importantly, tonight is about putting our businesses on a pedestal, exactly where they deserve to be!

As we continue to navigate the tail of the pandemic, supporting local businesses and local shopping altruism can be the elixir that energizes not only our local economy but also ourselves!

For those of you in the room who are not members yet, you don't want to not be part of our journey. It's a privilege to serve our Fremantle community. Now, make tonight count! Most of all, laugh and have fun.

We are unique, we are envied, and we are Fremantle. [#sofreo](#)

President, Fremantle Chamber of Commerce

*Ivan Dzeba*

I would like to express our admiration to our members and unique business community for their resilience and trust over what has been again an economically challenging year. I'm most proud of the way we continue to come together as a community. Never shrinking from articulating its role, we hope you see The Chamber has brought an unwavering support on issues that really matter.

I'm proud to support and steer the direction of our Fremantle Chamber of Commerce in its milestone 150th year.

Let the bravery and innovation of the businesses in the greater Fremantle region continue to shine. Enjoy the evening of celebration!

*Hannah Fitzhardinge*

Mayor, City of Fremantle (MC this evening)

Giving the community the chance to vote for their favourite business was exactly the Fremantle thing to do. The passion that people feel for everything Fremantle includes our businesses.

# Celebrating

# 150

# Years

1873 - 2023

On the 29th May, 1873 a group of gentlemen in dapper suits met in Maloney's Hotel (now known as the Orient Hotel) & resolved that the Fremantle Chamber of Commerce be formed on the basis

*"It is considered highly desirable & of great importance that there should be established among the merchants & traders of the Town of Fremantle some combination for active united concert to protect & advance the interest of trade."*

This year marks 150 years of advocating, supporting & connecting businesses, led by invested & inspiring local legends.

The Fremantle Chamber of Commerce is proud to be 150 years old & can't wait to support Fremantle Businesses for 150 more.
